MOTION FOR EXTENSION OF TIME

Beacon Broadcasting Corporation (hereinafter "Beacon"), by its attorneys and pursuant to the provisions of Section 1.46 of the Commissions rules, hereby respectfully requests an extension of time to and including December 20, 1991, within which to respond to the "Petition To Deny" filed by The Lehigh Valley Community Broadcasters Association (hereinafter "Lehigh").

1. Lehigh raises essentially two engineering allegations regarding the Beacon application. Beacon's response will largely be dependent upon the analysis of these allegations by its consulting engineers. Beacon's consulting engineers have indicated that the extension requested herein is necessary in order for them to fully analyze Lehigh's data and formulate an appropriate response thereto.

2. Beacon has contacted Counsel for Lehigh and is authorized to represent that Lehigh does not object to the subject extension request being granted by the Commission. Moreover, Beacon has

contacted the office of the Chief, FM Branch, and has notified him of the filing of this extension request. Accordingly, Beacon's request complies with the requirements of Section 1.46 of the rules.

WHEREFORE, based on the foregoing, Beacon respectfully requests an extension of time to and including December 20, 1991, to respond to the Lehigh Petition.

Respectfully submitted,

Beacon Broadcasting Corporation
